

IM from Greg Fife to Monica Smith, Roberto Bernier, Althea Foster, Susan Webster & Smalley - 8/29/17@11:26am

Fife-

NRC REPORT \*\*\*\*\*. Harvey related NRC REPORT. SEE EMAIL

Fife@12:18pm - Steve has been made aware of s significant issue. See email that I just forwarded.

Fife@12:19pm - I'll return from B1 and discuss

Fife@3:57pm- Selena

Fife@4:00pm - That was a RKEMA

Fife@4:00pm - The MRC received a call from the cytisine about the explosion at the site

Fife@4:01pm - You may want to tell David Gray about the situation at that site

Fife@6:49pm - Hotline Heads Up: two calls from ConocoPhillips in Cuervo Tx, one from Hunt Oil in Gonzalez, Tx. As well as a transformer call in Splendora, Tx. Are all reporting tipped over tanks, no signs of the lost oil. Each of the 3 oil tanks have capacity of 200 to 300 BBL each. Transformer 210 gal.

Fife@8:39pm -

HQ just called. Wanted an update on Arkema. And really needs a morning update for Reggie. By 8 am.

Foster@8:42pm - Will work it

Webster @8:50am - K

Fife-8/30/17@5:16am - Now the Uscg admiral is seeking answers about arkema

Fife@3:31pm - Drums in a yard in Crosby tx
